Sorry, No Refunds.

**Mission:** *The Rising Stars provides quality choir programs to area school. It is our heartfelt belief that music can nurture the heart of the child and can encourage the development of important life skills such as self esteem, teamwork, social skills, and confidence. Perhaps not importantly, we feel this program provides an outlet for students to express themselves through the art of performing while creating a special group and place for them to belong outside of academic and athletic environments. The Rising Stars is led by certified music educators who have led choral programs throughout the state of Illinois. Proper choral techniques, introductory music theory, auditory skills, and basic choreography are only a few of the concerts out students will experience as member of this program.*
