THE RISING STARS[®] ORGANIZATION

WHO WE ARE

In 1996, The Rising Stars[®] Showchoir Workshop was created by Lori Palmisano and Julie Petrando in the Chicagoland area. Their goal was to provide a positive environment for young people who wished to explore and develop their skills in singing, dancing, and performing during the summer. **We are eager to kick off our 17th season** and we look forward to encouraging participants to follow their dreams through the thrill of performing. The Rising Stars[®] is proud to offer a trained, teacher-certified staff, who are nationally recognized in their field of expertise.
