WHAT IS SHOWCHOIR?

A show choir is an ensemble that combines choral singing with choreography (dance), sometimes within the context of a specific idea, theme, or story. Show choir music is often pop, Broadway, Disney, or other secular styles that speak to today's young performers. The Rising Stars® believes in utilizing positive, uplifting, family-friendly music that can entertain an audience of all ages.

minimum 20 participants

MISSION: *The Rising Stars provides quality choir programs to area schools. It is our heartfelt belief that music can nurture the heart of the child and can encourage the development of important life skills such as self-esteem, teamwork, social skills, and confidence. Perhaps most importantly, we feel this program provides an outlet for students at All Saints Catholic Academy to express themselves through the art of performing while creating a special group and place for them to belong outside of academic and athletic environments. The Rising Stars is led by certified music educators who have led choral programs throughout the state of Illinois. Proper choral techniques, introductory music theory, audition skills, and basic choreography are only a few of the concepts our students will explore in the show choir program at All Saints Catholic Academy.*
